TRI-COLOUR SERIES

Take the worry out of colour choice with the Downlight Luminaire Tri-Colour Series. The luminaire allows you to change colour between warm white, cool white and daylight at the flick of a switch. All colour changes are made at the point of the on/off switch allowing you to change colours at any time.

Simple instructions included.

FEATURES

- 3000K, 4000K and 6000K in the one luminaire
- No need for a remote control
- Broad beam angle with no shadowing
- Low profile, fits narrow ceiling cavities
- Compatible with TRIAC dimmers
- Available in 70mm and 90mm cut-outs
- IES files available on request
